

**Yes, I'd like to become a Friend of the
Dickinson County Library!**

Friends of the Dickinson County Library

The Friends of the Dickinson County Library is a group of citizens committed to our Library system and the excellent service it provides.

This service reaches into every neighborhood in our community and serves all segments of the population.

We help focus public attention on the Library, promote public and private support for the Library; we encourage gifts, endowments and memorials. The Friends offer help with Summer Reading programs and sponsor educational and entertainment programs.

By joining the Friends, you will help to support the information and education needs of every citizen in this area.

Membership is open to anyone who wishes to support the Library.
Dues are \$5 per year or \$50 for a lifetime membership.

Name _____ I am interested in being called to help with programs.

Address _____ Yes _____ No

Phone _____
