## Library Card Sign-Up Month

September is Library Card Sign-up Month!

This September, your library card might earn you a special treat!

Did you know all Dickinson County residents AND property taxpayers are eligible for a library card at no charge? Non-residents are also welcome to get a library card for a fee. All ages are eligible for a card, but those under age 18 must have an adult cardholder fill out the paperwork and agree to be responsible for all checked out materials. Please bring your photo ID (and proof of residency, such as a current utility bill, if you are seeking a free resident card and your current ID doesn't display your current address) to any branch to begin the registration process.

**Attention Bay College West Students!** You are eligible for a free library card as long as you are enrolled, even if you do not reside in Dickinson County. Simply bring your student ID in to any branch to begin the registration process.

Your library card allows you to check out materials, and access helpful eResources such as Libby for eBooks and audiobooks, Mango for language learning, A to Z Food America for recipes, and so much more! Get one today!
