

The Friends of the DICKINSON COUNTY LIBRARY is a group of citizens committed to our Library system and the excellent service it provides.

This service reaches into every neighborhood in our community and serves all segments of the population.

Friends of the Library helps focus public attention on the Library, promote public and private support for the Library; we encourage gifts, endowments and memorials. The Friends of the Library group offers volunteer opportunities and raises funds through book sales.

***By joining the Friends of the Library, you will help support the information and education needs of every citizen in this area ***

JOIN NOW

Membership is open to anyone who wishes to support the Library.

Dues are \$5 per year or \$50 for a lifetime membership.
