Dear Library User:

Thank you for your open communication with the Dickinson County Library regarding your library's programming. We appreciate your interest and welcome all comments and input from our community.

Before you begin the reconsideration process, we ask that you thoroughly review the library's Programming Selection Policy. This policy outlines the responsibilities of the library staff and the criteria for program selection. The reconsideration process is also explained in this policy.

Included with this letter is the form "Request for Reconsideration of Programming." Please note that the form must be completed in full before any request can be reviewed by the library staff, management, or Board of Trustees.

Again, we do appreciate your interest and concern. We look forward to the opportunity to engage in constructive dialogue with you regarding the library's mission, programming, and services. Please do not hesitate to contact the Administrative Office with any questions you may have.
